

# *Yours Truly*

*This is for the families of those who were lost in the Mt Erebus disaster*

Throughout this very day  
None of the pain will ever go away.  
I have some flowers to give to you so it will help all of you  
With these tissues you can cry but all the sadness will never  
die.

If there's happiness still in you we wrote this poem to give  
to you.

Our apologies we give to you so it will help you.

I know you're sad but be glad,

That luck is coming soon.

So hang on we are here for you .

Yours Truly
